

## HOW IT WORKS ?

This system is very easy to use it displays on your chart all you need to trade. No need to analyze and no need to decide yourself ..GFK Forex decide in your place . All you have to do is to follow signals given by this powerful system.

- When to buy? You simply buy when indicator shows “buy signal” green circle , this can be seen when line color turns from red to green
- When to sell? You simply sell when indicator shows “sell signal” red circle , this can be seen when line color turns from red to green
